

DIALOG OR COOP?

“Energy and Mobility”

Choose what you need!

Digital Hub
Africa

Is your start-up or company active in the field of energy and mobility?
Are you from East Africa or the TechnologieRegion Karlsruhe and Baden-Württemberg?
Do you ever wanted to get in touch with start-ups and companies from the other side?
Are you interested in a cooperation?
Are you searching for a partner for your concrete project idea?
Do you focus on knowledge-transfer?
Or do you simply want to obtain new information, ideas and perspectives?

9th of November 2021

4-6 PM (CET) / 6-8 PM (EAT)

Online via Zoom

It's your Choice!

Don't hesitate and register for our openly designed event “Dialog or Coop – Energy and Mobility”. The event addresses all stages of start-ups and companies because we believe that it is especially the coming together of people with the most diverse interests and stages of development that allows something new to emerge and will be worthwhile for future.

Find out in a relaxed atmosphere what's possible and don't miss the:

- Meet & Greet in Breakout-Sessions
- Exchange of experience with already existing Coop-Partners
- Speed-Dating for diving deeper in dialog or coop
- And last but not least: Let us know what you need for your further steps

Registration

The event is limited to 8 East African and 8 German start-ups / companies.

It is recommended to register quickly: <https://wensauer-sieber.as.me/Digital-Hub-Africa-Energy-and-Mobility>
